

# ONBOARDING PROCESS

## Same Day Onboarding

(Onboarding time may vary)

Staffing emergencies happen all the time. We're here to ensure you are always ready to handle them smoothly to maintain coverage and your high standards of patient care.

### Onboarding Process:

- A Facility Staffing Director contacts DNSA. They had a last-minute callout and an immediate need to fill a shift later that day.
- A DNSA Account Manager has provided a quote and sent a new Client Agreement. The Staffing Director signs and returns the Contract.
- DNSA emails, texts, and calls their segmented network of professionals in the area surrounding the facility, alerting them of an open shift or position available that day.
- A qualified candidate responds and accepts the shifts. They are provided with all the details and information they need about the assignment.
- DNSA personnel arrives at the facility, and the shift begins.

**DEPENDABLE NURSING  
& STAFFING AGENCY**

“Utmost Care is the Heart of  
our Commitment”

# WHO WE ARE

Our mission is to staff every open shift at nursing homes, assisted living, and other healthcare facilities with experienced professional Registered Nurses, Licensed Practical Nurses, and State-Tested Certified Nursing Assistants. Whether you need a full-time staff or need to fill a shift today, get connected to our growing network of nursing personnel.

Regarding solving healthcare staffing challenges, DNSA is in the business of helping our Facility Partners ensure quality patient care and maintain staffing compliance. Our professionals are highly trained, meet rigorous hiring standards, and are ready to pick up shifts at your facility immediately.

We have an Account Manager or Schedule Coordinator by the phone 24/7, ready to onboard new facilities and open shifts - often in just minutes. You can trust us to come through.

# HOW WE WORK

We have a network of qualified **Nurses, LPNs, CNAs**, and the technology to fill all your shifts faster. Here's how:

## Contact Us

Whether you have a staffing emergency that needs immediate attention or wants to plan ahead and ensure you always have coverage, we're here to work on your staffing needs.

## Instant Onboarding

We make the onboarding process fast and easy with the Account Manager / Schedule Coordinator ready to facilitate a new client agreement. It often happens same-day, sometimes in just a few hours.

## Fill Every Shift Period

We are committed to filling all your open shifts as fast as possible. As soon as we know of an opening, DNSA will email, call and text all the available shifts you need to our network or local credentialed professionals - all waiting and looking for work.

# Why Choose Us?

## Access for the Right Personnel:

We can quickly and cost-effectively meet your staffing needs.

## We Do It For You:

You will no longer have to incur recruitment fees and advertising costs or spend hours reviewing resumes and processing HR documents.

## Find Qualified Candidates:

Our comprehensive pre-employment screening process includes background checks, certifications, and verifications.
